

**design** Giuliano Cappelletti ed Enzo Pozzoli architetti

Sedia pieghevole dal design fresco ed essenziale con struttura in metallo e scocca in polipropilene. Il suo disegno lineare la rende complemento ideale per le versioni di tavoli "space saving" e per l'ambiente cucina pranzo informale.

Folding chair with a fresh and pure design, with metal structure and polypropylene seat and back. Its simple style makes it perfect for the "space saving" collection and for the casual kitchen living.

bianco/ Struttura: cromo  
Seat and back: black, white  
polypropylene/ Structure: chrome

The quick-change artist of the living area

# I TRASFORMISTI DELL'AREA GIORNO

Il concept "space saving" si fa sempre più spazio nelle soluzioni dell'abitare contemporaneo. Le finiture più attuali si armonizzano con prodotti dal design logico e funzionale, in grado di soddisfare le esigenze di spazio con creatività, senza rinunciare al valore estetico.

The "space saving" concept becomes more and more important in the solutions of the contemporary living. The most updated finishing are combined with product of functional and logical design, in order to satisfy the lack of space with creativity, without losing the aesthetic value.
